Summer Holidays (2024-25) Home Work

Name : _____

Summer is messy,
Summer is fun,
Trips to the beach,
In the hot, hot Sun,
Let's give summer,
A big fat cheer!
Summer is the best time of the year.

Assalam-O-Alaikum!

Dear Parent,

Children are born with natural curiosity and inquisitiveness about the world around them. It is important for us to help them keep this spark alive and to make learning fun.

Summer Vacation is just round the corner, let every moment of this vacation be a time to unite, connect and enjoy beautiful moments with your child.

Here are some activities given to help your child become independent and confident:-

Independent Me

- Buttoning and Unbuttoning • Put on your Socks and Shoes
- Keeping belongings back in their place • Filling the water bottles
- Keeping room clean and well-organized • Tear a Chapatti and eat your

Meal on your own Alone we can do so little; together we can do so much. (Social Skills)

- Wish your elders with a smile
- Go outdoors and play with your friends
- Use magical words: Sorry, Please, Excuse Me, Thank You

One, who maintains cleanliness, keeps away diseases. (Personal Hygiene)

- Brushing teeth twice a day.
- Combing hair regularly
- Bathing everyday
- Washing hands before and after meals.

Reading is Fun: Children are made readers on the laps of their parents.

- Make reading a regular practice with pictures and large text.
- Make bed-time stories a part of your child's daily routine

The teachers are trying to encourage the children to use simple words, phrases and sentences in school and at home like.

ALL ABOUT ME

- What is your name?
- How old are you?
- In which class do you read?
- What is the name of your school?
- What is the name of your teacher?
- What is your father and mother name?
- May I come in ma'am?
- May I Drink water?
- May I go to the toilet?
- I'm feeling hungry.
- Please give me a glass of water.
- Please trim my nails.
- Please tell me a story.
- I'm feeling sleepy.

As per the school closes for the summer break we have planned some worksheets, activities for your child to enhance his or her learning skills in a fun filled way.

Kindly appoint specific time for the same every day.

Make your ward revise and practice following rhymes.

Hot cross bun.....

Bits of paper.....

This is the way we brush our

Counting And Number Recognition Activities For Play group Using Playing Cards.

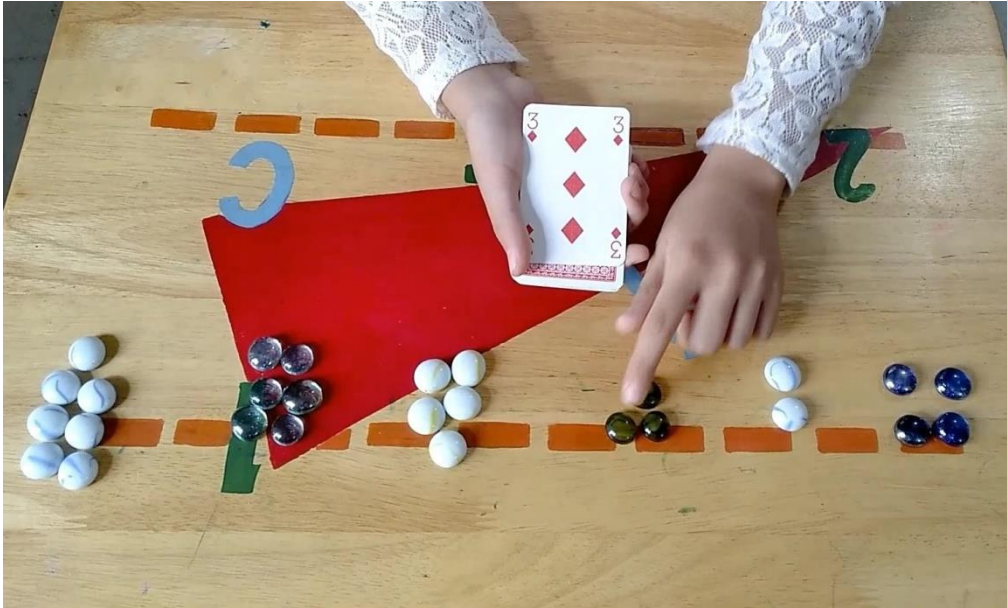

Activity 1: Shopping Activity

This activity focuses on counting and number recognition. We use playing cards as our money and our preschooler will become shopkeeper. Setup a shop with some interesting items. So, you can come with your card money and ask shopkeeper to give any many items of a particular type as the number on the card.

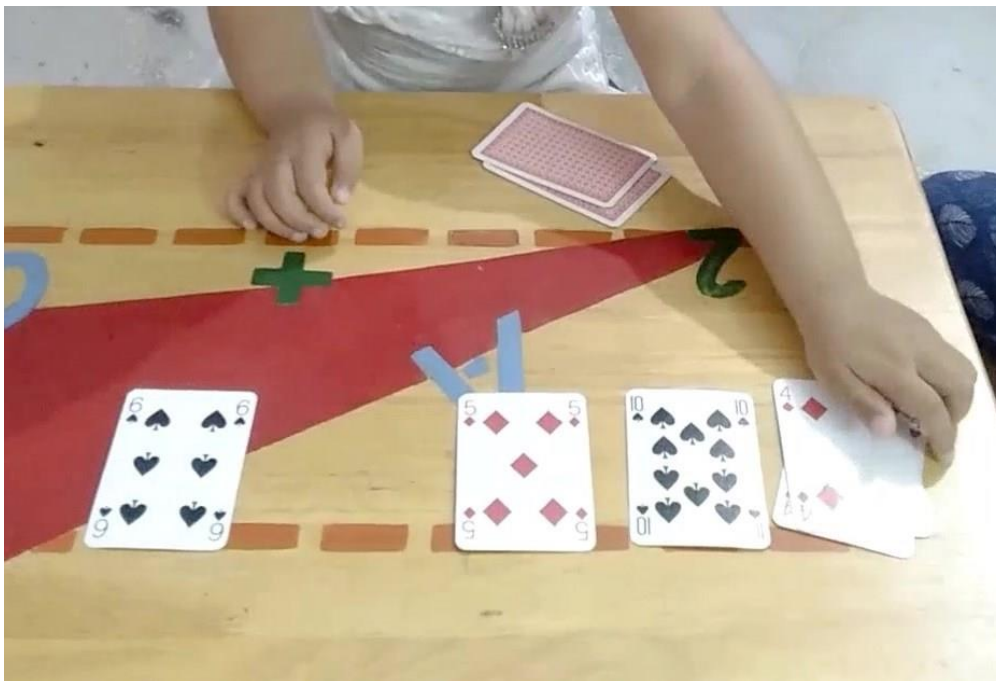

Activity 2: Count and Match Activity

For this activity, we place some pebbles/counters in the groups like groups of 1, 2, 3, 4, 5 pebbles and handover cards to the little learner. He/she will draw one card and match it with the group having same number of pebbles.

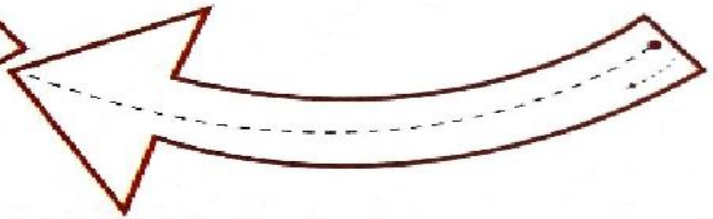

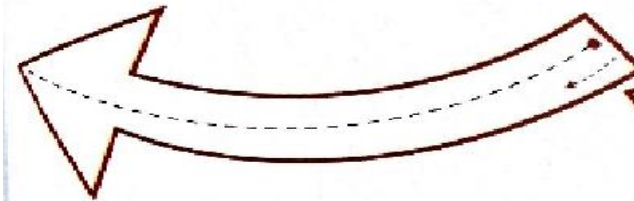

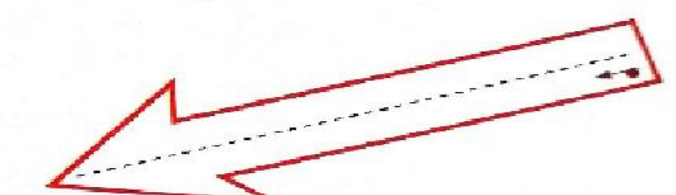

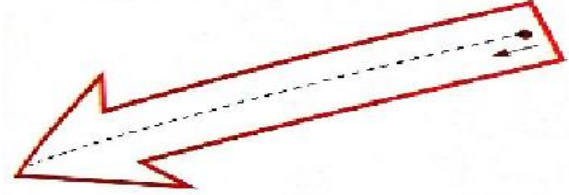

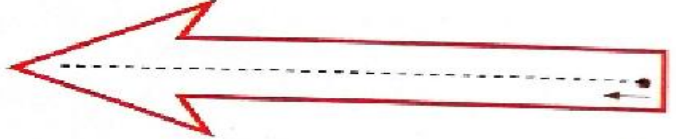

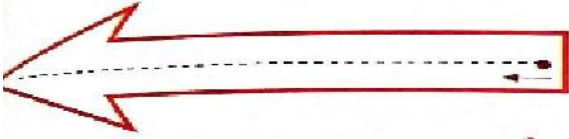

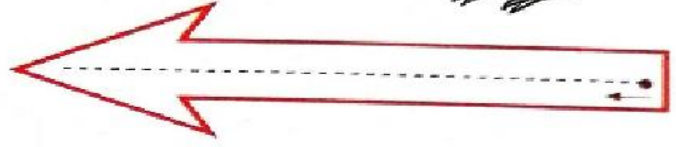

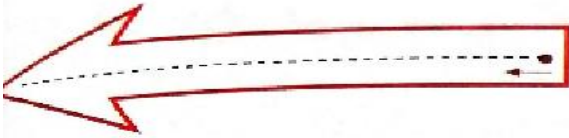

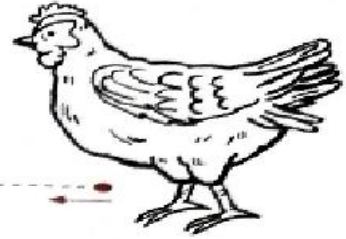

Activity 3: Number Matching

A simple activity for number identification where we use two sets of same numbers. One set is handed over to the child and other one is laid randomly on the table facing up. Child picks one card from his/her deck and finds the matching card on the table.

Activities: Paper Lanterns

This festive creation is sure to be fun.

What You Will Need

1. 2 sheets of coloured papers
2. Scissors
3. Pencils
4. Rulers
5. Stapler

How to Do

1. Take one sheet and cut two long strips lengthwise. Keep them aside.
2. Take the other sheet of paper and fold lengthwise.
3. Take the ruler and pencil and start to draw guide marks breadthwise from the folded part.
4. Start cutting based on the guide marks and ensure that you do not cut all the way through.
5. Unfold the paper and then roll it, still lengthwise. Staple the ends together.
6. Take the first paper, roll it up and slide it into the centre of the other paper. Staple it into place.
7. Use the two strips of paper that you cut out in the beginning to decorate the lamp.
8. **Paper Caterpillar**

This caterpillar will have your kids competing for who can make the longest one.

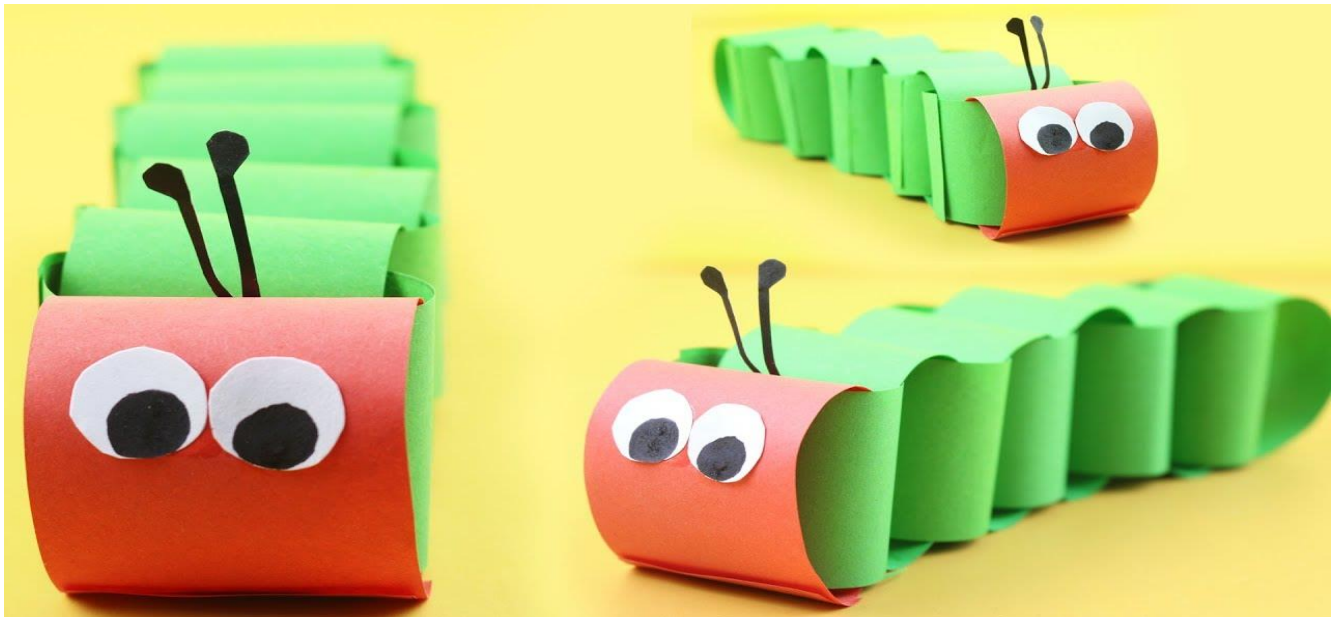

What You Need

1. Two or three construction papers of different colours.
2. Scissors
3. Glue
4. Black marker
5. Wiggly eyes

How to Do

Cut paper into fifteen one inch wide and ten inches long strips.

1. Cut out a bigger strip for the head and small strips for the antennae.
2. Make a ring out of one of the strips of paper. Glue the ends together.
3. Take another strip and take it through the previous ring. Form the second ring the same way and continue until kids are happy with the length.
4. Add the head.
5. Take antennae strips and fold small bits at the ends of antennae. Glue onto the head.
6. Stick the eyes on. Draw a mouth.
