Fall & Thanksgiving Paper Plate Wreath Craft

for Kids

A fun and easy Fall & Thanksgiving Paper Plate Wreath Craft for kids made from a paper plate and free printable templates. Perfect for preschool, kindergarten, and elementary classrooms.

PREP TIME	ACTIVE TIME	TOTAL TIME
5 minutes	20 minutes	25 minutes

Materials

- Free template (download below)
- 9-inch paper plates
- White cardstock
- White, yellow, and brown paint
- Brown marker (optional)
- Crayons, markers, or colored pencils (optional)

Tools

- Printer
- Scissors
- Paintbrush

Instructions

1. Print the wreath template ([color](#) or [black-and-white](#)).
2. Paint the outer rim of the paper plate in a fall color and let it dry. Cut the center out of the plate and cut out leaves, flowers, and banners from the template.
3. Begin gluing large leaves around the plate, then attach the banner across the center.
4. Add flowers and more leaves, layering pieces for a complete look. Curl petals and leaves slightly for a 3D effect.
5. If using blank leaves, write thankful words like family, friends, food, or kindness.
6. Add a string to the back and hang it as a fall or Thanksgiving decoration.

Paper Plate Thanksgiving Wreath

Print the page you like best! Choose a ready-made phrase or write your own in the blank box to place at the center of your wreath.

So
Thankful!

Give
Thanks!

Fall Vibes

Happy Fall!

It's Fall!

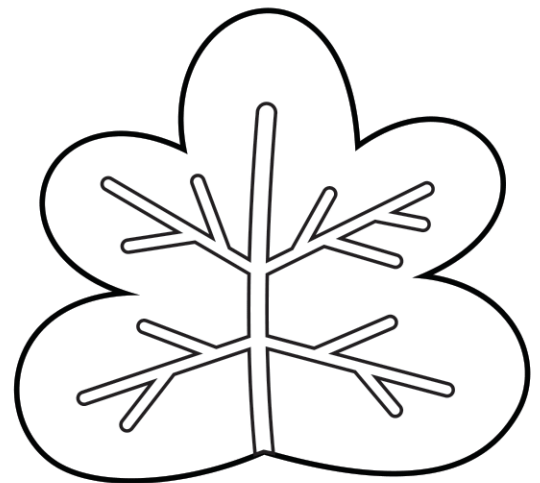

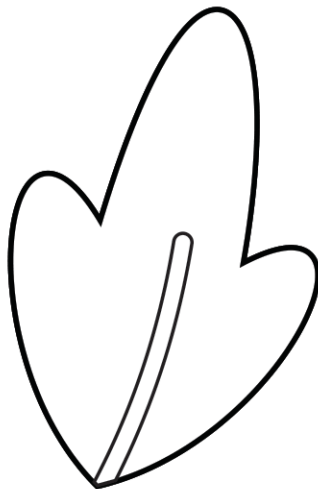

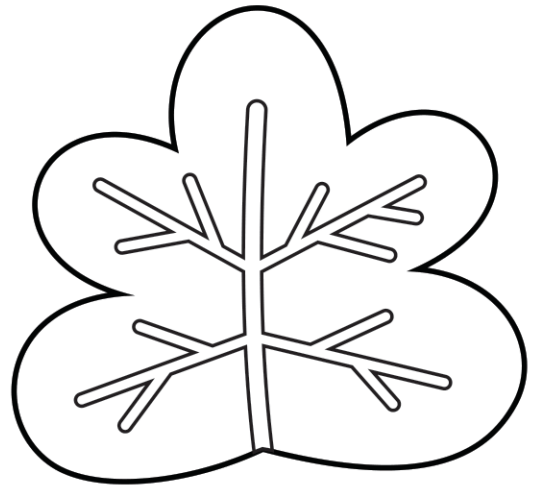

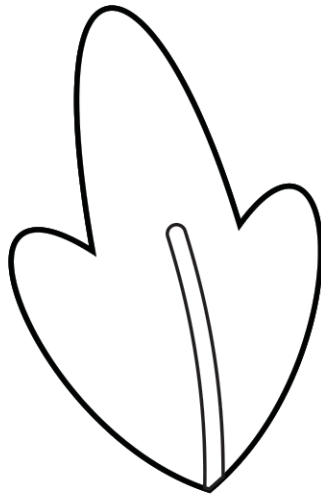

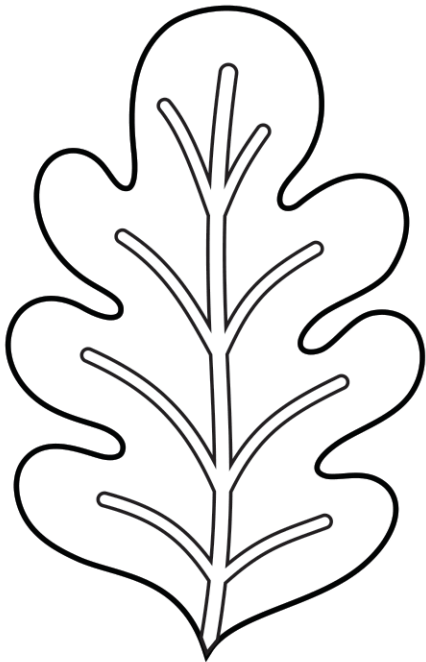

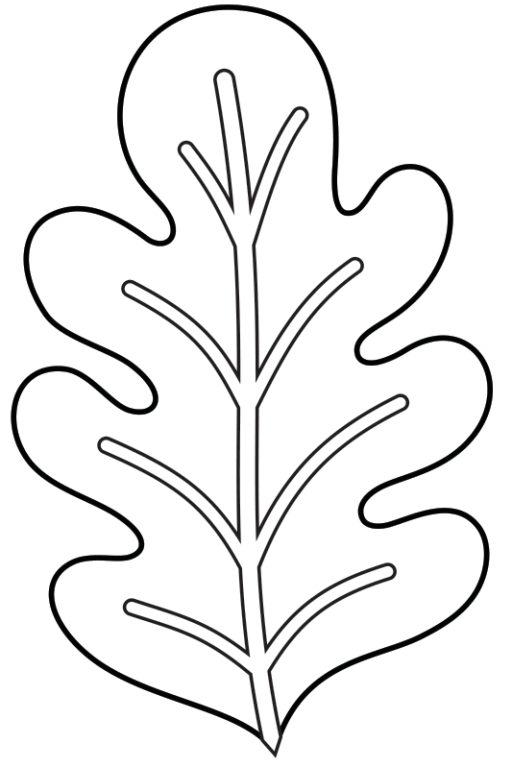

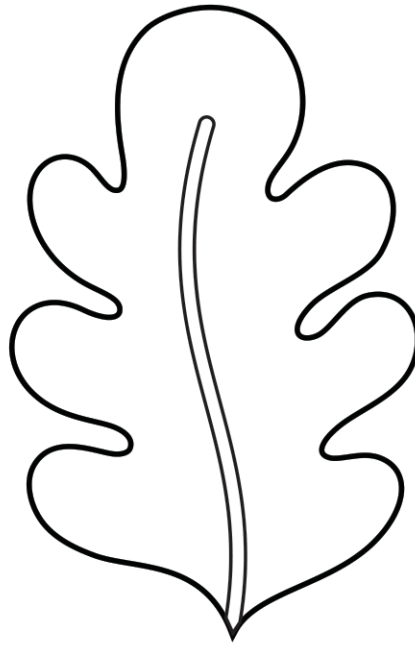

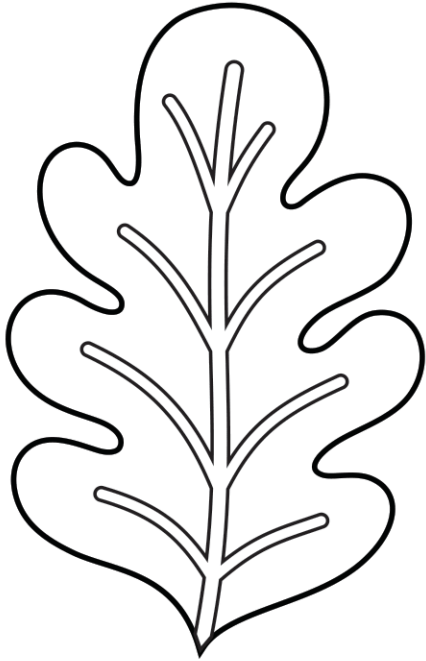

Paper Plate Thanksgiving Wreath

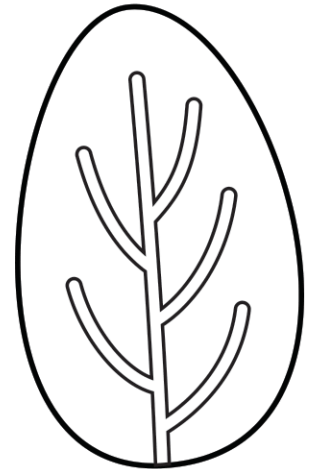

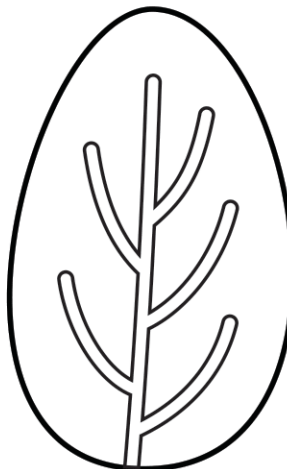

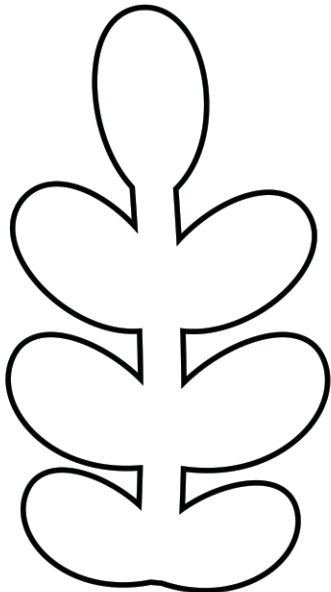

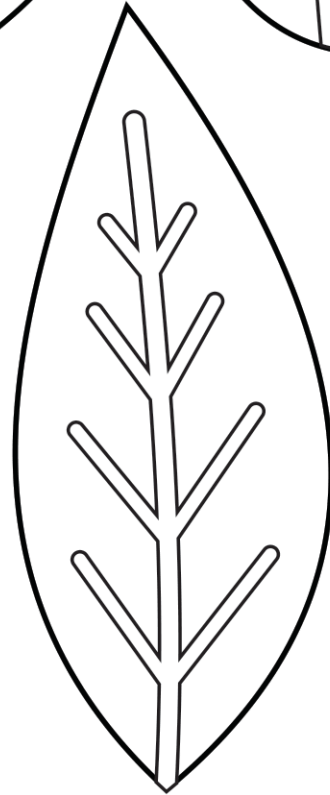

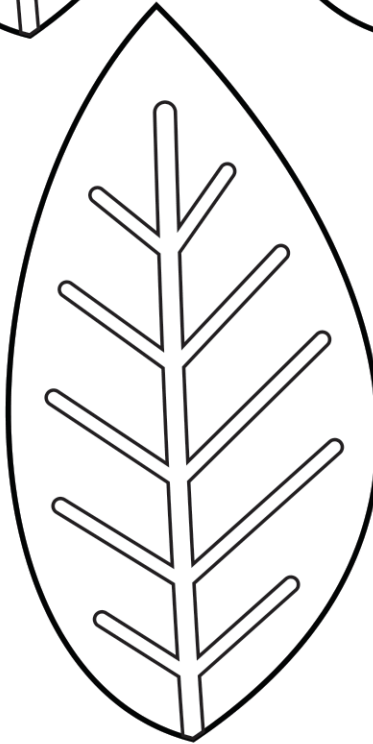

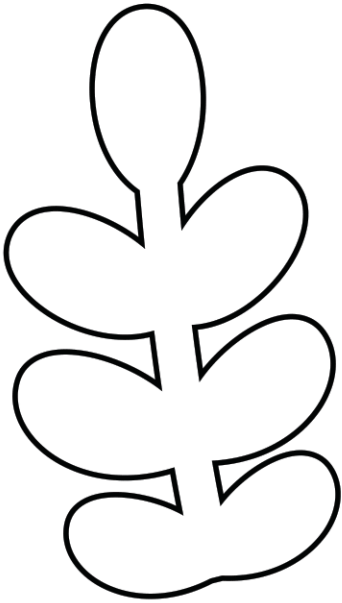

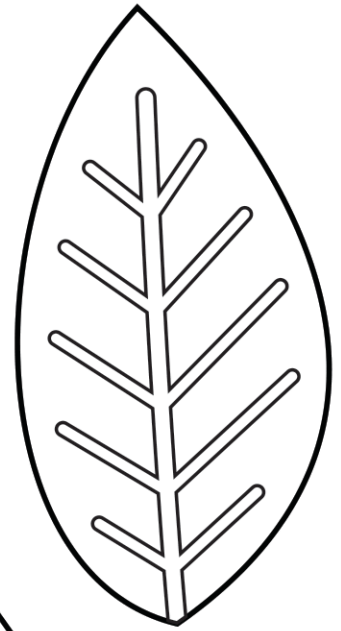

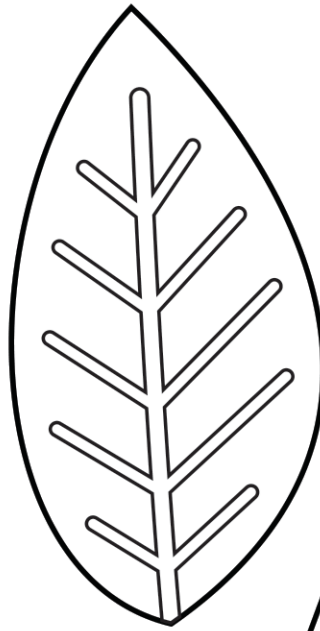

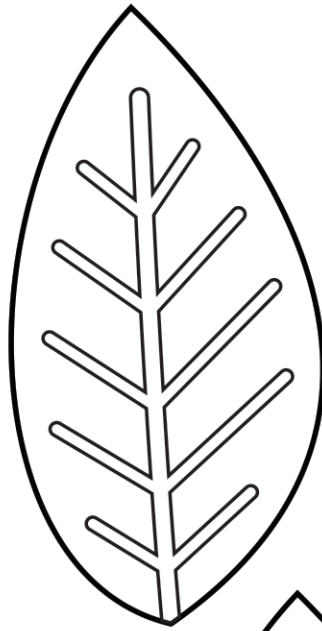

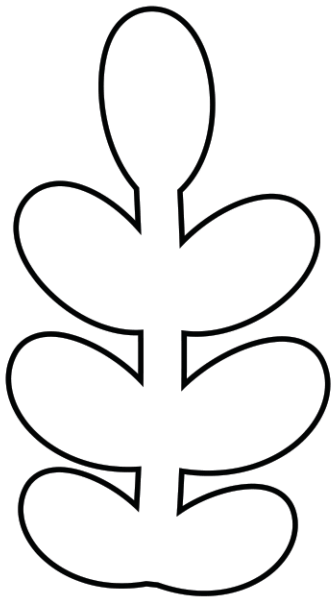

Just a Quick Check: This little square should be exactly 1 inch. It's not part of the craft—just here to make sure your printer isn't playing tricks and everything prints at the right size!
